SIC

The Stray Animal Facility is located at 80th Street and Engineer Drive in Bldg. 4902. The phone number is 287-4675 and facility hours are 10 a.m.-4 p.m. Monday-Wednesday and 10 a.m.-3 p.m. Thursday-Friday. The facility is closed noon-1 p.m. each day. Saturday hours are 10 a.m.-4 p.m. on the first and third Saturday of every month. We are closed training days and holiday weekends. Stray animals brought in by animal control are held for three working days. Reasonable efforts will be made to identify and contact the owners. After the three working days are up the animal becomes eligible for adoption. How long the animal is held for adoption depends on the animal's temperament, adoptability and the amount of space available in the facility.

If you believe your animal has been brought to the Stray Facility, please come during business hours and identify your pet. In order to release your pet, it must meet Fort Hood regulations (FH 40-5 and FH 210-48), which means having a microchip, annual heartworm test (dogs), be on year-round heartworm preventative (dogs), have a current rabies vaccine and distemper vaccine and an annual fecal exam. If you wish to report an abuse case, stray or injured animal, call the MPs at 287-4001.
